Dear Ms. Hammett:

Thank-you for responding so expediently to my previous letter. I reviewed the Second Amended Complaint, the record from PACER and have determined that we will not be accepting your case for further investigation. The Court already granted the Defendants Motion for Summary Judgment on August 16, 2022 and left only one issue in regard to the alleged violation of PRA by misleading or false representations. The Court already entered an order on March 16, 2023 denying any further briefings on the pending motions. Therefore, I do not believe that there is any legal assistance that I can provide to you at this time. I am now closing your case with our office.

Sincerely,

Cecille Doan
