15
16
     Did you want the name of my company, ma'am?

taking my call, ma'am. Again, my name is Gabriel.
1
 2
     Real quick formality. I do want to make sure I'm
 3
     calling for the correct Ms. Lynn. Is your date of
 4
     birth
           of '62? Is that correct?
 5
                 Can you please give me more information
     about who you are before I start giving out
 6
     information about myself?
 7
                 I gotcha, ma'am. Well, I wasn't asking
 8
          Q.
 9
    you to give me your date of birth. I gave it to
10
     you, but I was calling in regards to a personal
11
    business matter. In order for me to continue, I
12
    would have to verify I'm speaking with the correct
13
    Ms. Lynn. If your date of birth is an issue, I can
14
     verify a mailing address.
15
          Α.
                 What is your company's name?
16
          Q.
                 Portfolio Recovery Associates.
17
                Portfolio Recovery --
          Α.
                 Recovery -- yes, ma'am.
18
          Q.
                 -- associates. Is that an LLC or a
19
          Α.
20
     corporation?
                 Yeah, we're a company, ma'am. So I can
21
           Q.
22
     further elaborate why I am calling again, Ms. Lynn.
23
     Is that the correct date of birth?
24
          Α.
                 Hello? Are you an LLC or a corporation?
                 We're an LLC, ma'am. I don't understand
25
           Q.
```

```
1
     why that matters.
 2
           Α.
                 Because I need to look you up and make
 3
     sure that you're actually who you say you are
 4
     because you called me.
                 Okay. That's fine. I'll wait for you.
 5
           0.
                 Yeah, thank you.

                 Huh-uh.
 8
                 And you're a California company?
           Α.
 9
                 Our home office -- our home office is in
           0.
10
     Norfolk, Norfolk, Virginia, ma'am. You can look
11
     that up, as well.
12
           Α.
                 Okay.
                 We may have an office in California.
13
           Q.
14
                 Well, because your number looks like a
           Α.
     California number.
15
16
                 Yeah, well, we own the phone number.
           0.
17
     Every number we call from we own, ma'am. So it may
18
     have just popped up because you're in the State of
     California.
19
20
                 Oh, okay. So let me find the Secretary

                 I'm sorry?
                 I'm looking at the -- in California,

12
                 You're fine.
           Q.
13
                 I have to check and see who they are.
           Α.
14
     So you're at 120 Corporate Boulevard, Norfolk,
15
     Virginia?
16
                 Yup, that would be our home -- our home
           0.
17
     office address; yes, ma'am.
18
           Α.
                 Okay.
                        Okay.
19
                 Okay. So I can continue?
           0.
20
                 Yeah. So what number can I reach you
           Α.
21
     now that --
22
                 The phone number I'm calling you on is a
           0.
23
     good contact number for us. I'm sorry, Ms. Lynn.
24
     Is the date of birth correct, of '62?
                 What is this about?
25
           Α.
```

A personal business matter. 1 Q. 2 further elaborate if I can verify that information. 3 What's my address? Α. 4 Q. 5757 Erlanger Street, San Diego, California 92122. 5 Α. 6 No. 7 Q. Was that a previous address? I don't recall that address. 8 Α. 9 Okay. All right. Then it's the wrong 0. 10 We have a department that adds addresses address. 11 They may have got that incorrect. on there. 12 So, ma'am, the point of it is if that's 13 your correct date of birth, then you're the correct 14 person I'm calling for, and if -- I can even verify 15 the last four of your Social Security: 7083. Is any of that information correct, Ms. Lynn? 16 17 Α. Who does -- who do I supposedly owe 18 money to? 19 Well, ma'am, I can further elaborate why Q. 20 I'm calling if I'm able to verify that information, once again. 21 22 You verified it. Α. 23 No, you haven't answered my question. 0. 24 asked you if it was correct, ma'am. Is it correct, 25 Ms. Lynn?

1 What? Α. 2 I'm asking you if it's correct, your Q. 3 date of birth -- your social, 7083, and your date of , 1962. Is that information, 4 birth of 5 correct, ma'am? Maybe I don't feel comfortable sharing 6 Α. 7 my information with you --Ma'am, I already have your information, 8 Q. 9 ma'am. You're not sharing it with me. I'm not 10 asking you to give me your date of birth. I'm not 11 asking you to provide me the last four of your 12 social. If anything, I have it -- I have it and I'm 13 providing it to you. 14 Excuse me, sir. Whatever this is about, 15 please send me a letter and don't use this phone 16 number. 17 No, ma'am. I can't do that. I can't 0. 18 send you a letter because you haven't -- I'm sorry to interrupt -- because you haven't verified if 19 20 you're the correct Laura Lynn I'm calling for. So I cannot process your request, ma'am. 21 22 So unless we're able to get over this 23 first step, this first hurdle, we really can't do

anything, Ms. Lynn, and I don't think we're going to

be able to do that. So I'll go ahead and let you

24

25

1 go, ma'am. 2 Don't call this number again, please. Α. 3 Why, ma'am? Why. We're calling for Q. You're just unwilling to verify you're the 4 5 person we're calling for, ma'am. It's only the wrong number for the person we're calling for --6 Because I'm on the do-not-call list. 7 Α. We're not telemarketers. 8 0. 9 It doesn't matter. Α. 10 It does matter, ma'am. We don't have a Q. 11 do-not-call list. We're not telemarketers. 12 You're telling me that you're allowed to Α. 13 make a collections call even if the person asks you 14 not to and to put it in writing? 15 Well, ma'am, you can most definitely put 0. it in writing if you'd like. You can send us a 16 17 cease and desist if you'd like. You have our 18 address. You've looked up my company. So you can 19 do as you see fit. 20 Α. I am asking you -- and I'm recording the call --21 22 Huh-uh. Q. 23 I'm asking you to remove me from your Α. 24 calling list. 25 There is no calling list to remove you Q.

1 from. 2 Anything that you want to say to me Α. 3 needs to be put in writing, and do not call this 4 number again ever. Okay, ma'am. Again --5 0. 6 Α. No, no. Okay. Again, ma'am, it's the same --7 Q. ma'am, it's the same response I had earlier, ma'am. 8 9 I -- regardless of how you put it or you format it, 10 it's the same response I had earlier. So I 11 apologize, Ms. Lynn. I'll go ahead and let you go. 12 You have a great day. 13 Α. Thank you. 14 All right. Bye-bye. Q. 15 16 17 18 19 20 21 22 23 24 25

2-1-21\_1\_1\_6924407499947839669\_1\_150.wav 1 2 3 Thank you for calling Portfolio Recovery Q. Associates. My name is Ebadia Lydia (phonetic). 4 5 Who do I have the pleasure of speaking with? I'm the owner of a telephone of the 6 Α. Hi. telephone -- with the telephone number (760) 7 I just received a phone call and from 8 966-6000. 9 what I'm -- (unintelligible) -- I received a number 10 -- from the number on the (unintelligible) which was you -- (unintelligible) -- I'd be able to turn on my 11 12 tape recorder, as well. What I would ask is to not 13 be called on a tape recorded line, and I've received 14 probably (unintelligible) calls since that time. 15 Each time, the person identifies 16 themselves by their name and says they're calling on 17 a recorded line for Laura Lynn. So I would like to 18 have this number removed from your calling list. Once -- on any -- (unintelligible) and the court --19 20 (unintelligible) -- the person -- hello? 21 Q. Yes, ma'am. I'm there. I'm sorry. 22 It's breaking up quite a bit. I do believe I heard 23 the gist of what you were saying. You don't want to 24 be recorded, and you keep receiving calls after you 25 stated that you did not want to be called on a

recorded line. Was that correct? 1 2 Α. Correct. 3 Q. Okay. And I did say -- (unintelligible) -- for 4 5 the call that I requested that in, and I am tape recording this call. 6 And that's no problem at all. Now, you 7 Q. -- you mentioned the name Laura Lynn. Is that you? 8 9 That is the person that they keep asking Α. 10 for and --11 0. I see. 12 -- it is not my policy -- it is not my Α. 13 policy to give any information whatsoever about my 14 personal being with random people who call my 15 telephone number. 16 I understand. 0. 17 So who -- who I am is none of their Α. 18 business until they could identify who they are, why they're calling, and then if I want to discuss who I 19 20 am with them at that time, I will. 21 If not -- (unintelligible) -- a court 22 order that requires me to disclose who I am and I --23 I am going to file suit against your company for 24 these calls that are to a number that is clearly on 25 the do-not-call-list. I have no business with this

```
1
     company that I am aware of.
 2
                 Your -- the telephone call -- I am
 3
     writing down -- (unintelligible) thousands of
 4
     dollars -- phone call penalty because I am on the
     do-not-call-list -- (unintelligible) name --
 5
     permission -- it is illegal. It is a criminal act.
 6
 7
                 And each time that they call me and say
     "I'm calling on a recorded line," they -- when I
 8
 9
     speak before they tell me that it's a recorded line,
10
     they are violating a criminal law. You need to ask
11
     the people first if you can record them before you
12
     start recording.
13
                 What is there -- (unintelligible).
           Q.
14
                 Hello?
           Α.
15
                 Yes, ma'am. I'm still here.
                                                I do
           0.
16
     apologize. I was informing my manager what you were
17
     telling me, just letting her know what was going on.
18
     So I definitely understand that, and I do apologize.
19
                 Now, we don't actually have a
20
     do-not-call list. It could be that we are actually
21
     trying to reach the wrong -- excuse me -- the wrong
22
              The number that you did call in, the (760)
     person.
23
     9666-000, that did populate something here.
24
                 Now, in order for me to, you know, mark
25
     it as a wrong number, I would need to know who I'm
```

calling -- who I'm speaking with. I do apologize. 1 2 No, the number is on the do-not-call Α. 3 list for the national registry. That's a number -a registry that you're required to look at, and I 4 5 have made a request that you do not call this number. Anything that you have to say to the person 6 7 that you are trying to reach should be put in writing. 8 9 Yes, ma'am --0. 10 (Unintelligible) -- your company has 11 disrupted telephone calls that -- I have been on the 12 phone with lawyers. I have been on the phone -- no, 13 it's -- doctors, and they have disrupted telephone 14 calls and disrupted my sleep. 15 And I have requested that --16 (unintelligible) -- of that telephone number gets --17 (unintelligible) and for the owner of that telephone 18 number that you believe is the owner of that 19 telephone number. So you're -- (unintelligible) --20 I'm sorry, ma'am. You're breaking up Q. quite a bit. 21 22 Α. Okay. Well, I'm sure that my tape 23 recording will be very clear when it's brought in as 24 evidence. So I just ask that you stop making 25 telephone calls to this number.

```
1
               Yes, ma'am. I have to --
           Q.
 2
                 (Unintelligible) -- (760) 966-6000 any
           Α.
     longer. Thank you.
 3
                 Yes, ma'am. And it's not me that's
 4
           Q.

that you provided. Can you verify your address or 1 2 date of birth or last four of the social? 3 -1962. Α. Q. All right, ma'am. So we're showing a 4 5 Capital One Mastercard. I do need to read you a disclosure. The law limits how long you can be sued 6 7 on a debt. Because of the age of your debt, we will not sue you for it, and we will not report it to any 8 9 credit reporting agency. 10 Depending on the laws of your state, 11 certain actions such as making a payment or 12 promising to pay the debt may restart the time 13 period for the filing of a lawsuit against you, but 14 if that were the case, we still will not sue you on 15 this debt. Mastercard has a balance of \$2,297.63. 16 There is a settlement offer from our 17 corporate office with three options here to help you 18 save some money. The first one is a one-time 19 payment, \$1,493.46. Six payments of 200 --20 You don't -- don't need to give me any Α. offer -- you don't need to give me any offer because 21 22 I don't owe any money. I deny having this debt. 23 You're not familiar with this account? 0. 24 Α. I'm not. I just don't have any debt. Ι 25 actually know that I have no debt, and you ran my

     first and last name?
                 Hi, my first name is Laura, and my last
 6
           Α.
     name that you have is Lynn, L-Y-N-N.
 7
                 Correct. Hi, Ms. Laura Lynn. How are
 8
           Q.
 9
     you today?
10
                 I'm fine. I just want some information.
           Α.
11
     I had received a letter from you. It -- it -- it
12
     says that "Portfolio Recovery Associates concludes
13
     this investigation and your dispute and is closing
14
     the file." You were actually supposed to
15
     (unintelligible) my address -- a different person's
16
     name --
17
                So could I get you to verify the address
           Q.
18
     on file?
                 Yeah, the address on file is 500 Amity
19
           Α.
20
     Road, Suite 5B, 306, Conway, Arkansas, 72032-5965.
21
                 All right. Thank you for verifying your
           Q.
22
     information, and the last four of your social I have
23
     is 7083; is that correct?
24
           Α.
                 Yes.
25
                 Okay. All righty. And you were calling
           Q.
```

```
in reference to the letter you received?
 1
 2
                 Yes, the letter is dated June 18th,
           Α.
 3
     2021.
 4
           Q.
                 Correct.
                 And --
 5
           Α.
 6
           Q.
                 And did you have a question?
 7
           Α.
                 Yes, ma'am.
                 Did you have a question on something?
 8
           Q.
 9
                 Yeah, you have a copy of the letter in
           Α.
10
     front of you?
11
                 I do not have a copy of the letter that
           0.
     I can read to you in front of me. I do not, but how
12
13
     can I help you?
14
                 Is that letter for me?
           Α.
15
                 Yes, it was sent to the right address.
           0.
16
           Α.
                 And so you're saying that you concluded
17
     the dispute and you closed my account?
18
                 Correct?
           0.
19
                 Okay. The letter that was sent to me is
20
     "Dear Laura Lyman," L-Y-M-A-N, instead of L-Y-N-N.
     The other letter that you sent to me was on 2 -- it
21
22
     was dated 2-19-2021. In that letter, you had Laura
23
     J. Lynn, L-Y-N-N. So do you know why the name on
24
     this letter says L-Y-M-A-N instead of L-Y-N-N?
25
                 I don't know why.
           Q.
```

1 Okay. Can you find out why? Α. 2 I'm sorry. I don't have a copy of the Q. 3 I don't have a number that I can transfer 4 you to. I can --5 Can't you -- the account number on the letter -- the account number on the letter -- I'm 6 sorry. Go ahead. 7 No, you can go ahead. I'm listening. 8 Q. 9 The -- the account number on this letter Α. 10 that says that you've closed my account is -- I 11 don't want to give the whole number. I'll tell you 12 the last four digits because I -- to give you --13 (unintelligible) -- this report. The last four 14 digits are 0992. 15 0. I'm sorry. Repeat the last four. 16 0992. Α. 17 Okay. That's totally different. Q. 18 So -- right. It's totally different Α. 19 from mine. My account number ends is 6049. 20 Correct. Q. So is this someone else's -- do you have 21 Α. 22 someone -- Laura Lyman with an account number that 23 ends in 0992? 24 Q. Two -- give me one moment. Let me check 25 with the manager for you, okay?

1 A. Okay. Thanks.

- Q. I'm going to put you on a brief hold, and you said this is a good contact number that I'm speaking to you on, Ms. Lynn?
- A. Yeah, if we get disconnected, you can call me at (760) 966-6000, but this is a one-time permission.
  - Q. Okay.
- A. Because you cannot use that. You cannot call this number except for -- for the purposes if we get disconnected and you have to call me back today.
  - Q. Okay. All right. One moment, okay?
  - A. Thank you.
- AUTOMATED VOICE: Enter the five digit extension of the person you are calling now. Enter the five digit extension of the person you are calling now.
- A. Hello? My contact -- sorry. About how -- haven't taken a shower yet today. If I end up having to use this recording in court, I will try and ask for it -- for the -- (unintelligible) -- or they could play obnoxious elevator music. I'm still connected.
- Q. Hello, Laura?

1 A. Hi. Yes.

- Q. Thank you so much for patiently holding. Yes, you would have to call back Monday through Friday between the hours of 8 to 5:00 a.m. -- 8 to 5:00 p.m. -- we're on the Eastern Standard Time zone -- to speak to someone in the dispute department. I'm going to give you their extension.
- A. This is the number that I have on the letter, but okay.
- Q. That's a good number. That -- that's a good number that you called, but their -- the dispute handles that information. So that's the department that you will need to speak to.
  - A. Which department are you?
- Q. I'm the collections department, ma'am, customer service. I'm the customer service for the collections. We do not handle the disputes or the purged accounts. The dispute department handles that. So I'm going to give you their direct extension. You have called the right number. So you can call that number again but it -- the dispute extension is 10 --
  - A. Yes.
    - Q. -- 181. 181.
- 25 A. 10181?

           Q.
                  Correct.
 2
           Α.
                 Okay.
 3
           Q.
                 And that's Monday --
 4
                 Can you -- hello?
           Α.
 5
           Q.
                 Yes, ma'am.
                  Can you please spell your name for me?
 6
           Α.
 7
           Q.
                  Sure. It's Debra, D-E-B, like boy, R-A,
     and the last name is Davis.
 8
 9
                 D-A-V-I-S.
           Α.
10
                 Yes, yes, ma'am.
           Q.
11
                 Like the university?
           Α.
12
                 Davis, yes.
           Q.
13
                 Yeah. I have two sisters who went to

                 Okay. Okay.
16
           Α.
                  Can you -- so why -- you can't give
17
     me --
18
           Q.
                 I'm sorry?
19
                 You can't tell me --
           Α.
20
           Q.
                 Hello, ma'am?
21
                  -- how the second letter
           Α.
22
     (unintelligible) --
23
                 No, ma'am; I can't. No, ma'am.
           0.
24
     doesn't show me the letter. So I -- I don't know.
25
           Α.
                  Okay. I've sent two e-mails to the
```

```
1
     disputes department, and I have not received
 2
     anything back from them. So you -- can you call and
 3
     verify their -- what I have (unintelligible) -- I'll
     tell you what I have and you tell me if it's
 4
 5
     correct.
 6
           Q.
                 Okay.
                 P, like Portfolio, R, Recovery
 7
           Α.
     Associates -- I mean, RA, Associates -- learn to
 8
 9
     spell. PRAsixthfloordisputes@portfoliorecovery.com
10
     (phonetic).
11
           0.
                 Correct.
12
                 Okay. So I -- I've sent -- do you have
           Α.
13
     a notation there? Or, like, do you have something
14
     on an incident report or something that shows that
15
     I've mailed you two e-mails?
16
                 One moment. Let's see if they notated.
           Q.
17
     Yeah, they notated an incident report on March 11th.
18
     The dispute department notated on March 11th, "filed
19
     complaint."
20
                 On March 11th?
           Α.
21
           Q.
                 Correct.
22
           Α.
                 Okay. What about yesterday?
23
                 Yesterday?
           Q.
24
           Α.
                 Yeah, that was -- yesterday was
25
     April 9th.
                 That's when I wrote the second e-mail.
```

```
1
                 I'm not showing anything notated for
           Q.
 2
     April the 9th.
 3
           Α.
                 Does it show --
 4
                 Complaint ID -- a complaint ID
           Q.
 5
     no. 423065 on March the 31st, I'm showing.
 6
           Α.
                 Okay. 423065?
                 65, huh-uh.
 7
           Q.
                 That's the complaint ID?
 8
           Α.
 9
                 ID number, yes. On March the 31st, I
           0.
10
     see that on here.
11
                 On March 31st? Okay. But you just said
           Α.
12
     March 11th.
13
                 Yes, I see one March 11th, and I see
           0.
14
     that note March the 31st.
15
           Α.
                 What -- what's the note on March 31st
16
     say?
17
           Q.
                 That's -- that was it. I just gave it
18
     to you, complaint case ID 423065.
19
                 Oh, that's all they wrote in the
           Α.
20
     note --
21
                 Yes, ma'am.
           Q.
22
                 And then there's -- so there's --
           Α.
23
     there's two notations, one from March 11th, e-mail
24
     received, and one is March 31st, complaint ID?
25
           Q.
                 Yes.
```

- Oh, okay, but they don't -- do they show 1 Α. 2 where they responded? 3 I don't know how they notate their Q. 4 information, ma'am. You would have to call them 5 directly, as I stated. I do not work with that department at all. 6 Okay. But you were able to see the 7 Α. notations on your register there. Like, you see the 8 notations, said an e-mail came in? 9 10 It doesn't say whether it was an e-mail 11 It just says "reviewed account and or not. 12 correspondence" and then it says here for the 31st, 13 "complaint case ID number" for the March the 31st. On March the 11th, it states "received file 14 15 complaint." 16 Okay. And so they -- they -- there's no Α. notation there that they ever responded, but you're 17 18 just not sure if they -- (unintelligible) -- they're 19 actually --20 I don't know -- I don't know how they Q. handle it or where they put their notes or anything. 21 22 I'm just able to see what I see and give you that 23 information that I see. I see that this account was
  - A. Okay. Account disputed March 8th.

disputed on March the 8th.

24

Correct, and that's when you put in the 1 Q. 2 C&D, cease and desist requested by Laura Lynn on 3 March the 8th, the same day that the account was 4 disputed. So that's what I see as far as the 5 notations on the account. Oh, okay, but then there was a 6 Α. 7 (unintelligible) we had talked about. I'm sorry. I just -- I drew a blank. So March 8th, you've got a 8 9 cease and desist. You don't show the e-mail or the 10 letter to me -- (unintelligible) the letter that's 11 dated on February 19th? 12 Yes, there is a note up here, February Q. 13 the 19th, "letter dispute response." 14 Oh, so they did --Α. 15 0. The ---- they sent out a dispute response 16 Α. 17 dated September -- I mean, February 19th? Or is 18 there -- is there any other response notated? 19 So from February 9th, it goes to March **Q.** 20 the 8th, where you requested the C&D. March the 11th, filed complaint --21 22 Α. And then --23 March the -- March 15th, there was a 0. 24 case number for the dispute of 14653791. 25 Α. Okay. I didn't have that number. 3791?

```
91.
 1
           Q.
 2
                         I don't have that number.
           Α.
                 Yeah.
 3
                 That was the dispute number.
           Q.
 4
           Α.
                 Yes.
 5
           0.
                 On March the 15th, they said they
     received incoming customer mail.
 6
                 On March 15th?
 7
           Α.
                 Correct.
 8
           Q.
 9
                 Okay. That was incoming.
           Α.
10
                 Correct. It said "incoming." That's
           Q.
11
     correct.
12
                 Yeah, and I did send them a certified --
           Α.
13
     I don't know (unintelligible) --
14
           0.
                 I'm sorry?
15
           Α.
                 Is it -- so there's no other response
     from them notated?
16
17
                 That's basically what I see, ma'am, when
           Q.
18
     we talked to you February the 18th.
19
                 Right. You -- yeah, there was a
           Α.
20
     conversation on February 18th.
21
                 Huh-uh.
           Q.
22
           Α.
                 Okay. And that's -- as far back as it
23
     goes is that February 18th --
24
           Q.
                 The account goes -- the account goes --
25
     the account goes all the way to the end of the
```

account -- to when we got the account in our office. 1 2 Back in, like, 2014? Let me look and see for you. 2013. 3 Q. 4 November the 19th, 2013, actually. 5 Α. Oh, okay. What -- did you try to (unintelligible) -- since 2021 -- 2022? 6 7 Q. I'm sorry. Repeat your question. You're breaking up really bad. So I'm not hearing 8 9 every other word. Repeat the question. 10 I'm sorry. Did -- did they try to Α. 11 contact me before 2020? So, like, did they try to 12 contact me in 2013? 13 So we have to notify the customer that 0. 14 we have their account. So we have to send a 15 notification letter to the customer to let them know that we do have their account when we buy the debt. 16 17 So we do have to do that. 18 And it shows that you did that? 19 Yeah, yes, it would definitely show that 0. 20 we did that. It said the letter was sent -returned address. It said the letter got returned. 21 22 It was sent to 5757 Erlanger Street and came back 23 undeliverable, and then the new address was updated 24 in February of 2014.

Oh, what is the new address? What --

25

**A**.

what happened with that? 1 2 It doesn't -- it doesn't -- it doesn't Q. It just said "new address updated." 3 Oh, okay. Okay. So do you think that 4 Α. 5 it -- that it -- it says there that they have now -that they -- they finished the inquiry and cleared 6 7 -- that they're closing my account and that the balance is zero. 8 9 Your account is in a purged status -- is 10 what it says --11 In a what? Α. 12 -- here online. "Purged." It has been Q. 13 So that means that you're not obligated to purged. 14 pay the debt. It's in a purged status. So anything 15 else further to go to that, you would definitely have to talk to the department that is handling this 16 17 account, which is the dispute department, and they 18 would provide you any information that you would 19 need. You can call the 1-800-772-1413, and their 20 extension directly is 10181. 21 And so I'll call them and ask them to Α. 22 send me the revised letter with the correct name and

account number on it. You -- I mean, this is kind

sense of good that it sounds like the balance shown

of positive that the -- I mean, positive in the

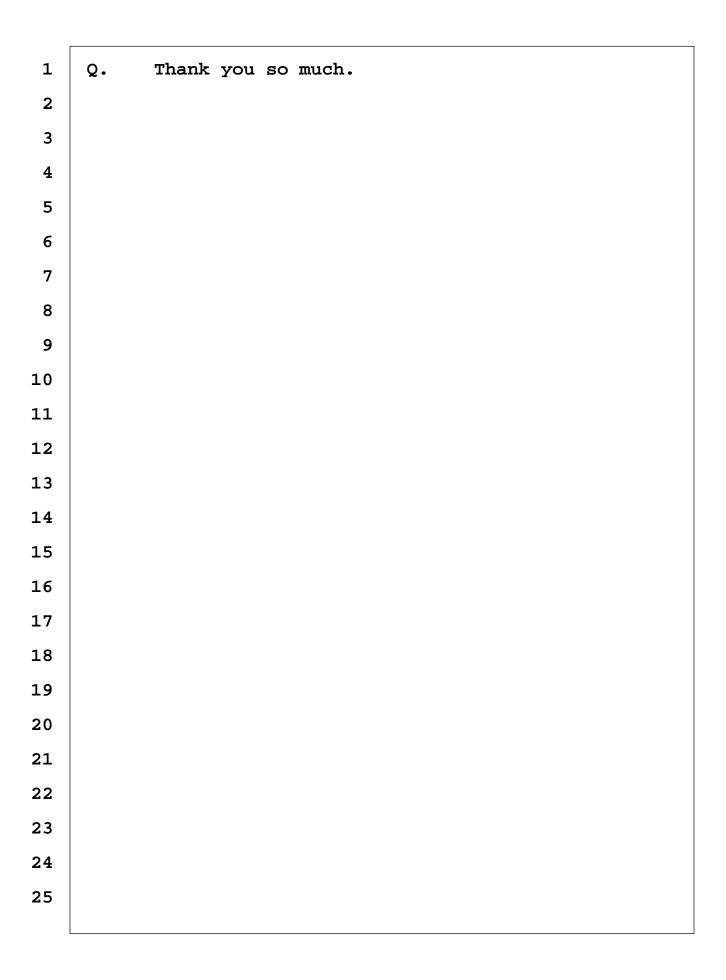

23

24

from the collections standpoint is zero, right? 1 2 I don't --Q. 3 So you just --Α. 4 Is -- the account is purged, ma'am. Q. Ι 5 don't see the balance being zero. I don't see that. All I can use is the terminology that I have, and 6 that is the status of the account is purged. That's 7 all I can tell you. 8 9 It doesn't show on my end that the 10 balance is zero. So I can't tell you, "Yes, it 11 shows a zero balance." I can't tell you something 12 that I don't know anything -- or speak about 13 anything I know nothing about. 14 Okay. So you -- you don't really know 15 anything else. Thank you so much. You've been 16 informative and --17 No problem. I appreciate you, Laura. Q. Yeah, thank you. Bye. 18 Α. 19 All righty. You can reach them at 0. 20 8 o'clock on Monday morning, 8. They come in on the Eastern Standard Time zone, 8 to 5, Monday through 21 22 Friday. 23 Okay. Thank you. Have a good weekend. Α. 24 Q. My pleasure. You, as well. 25 Okay. Thanks.

Bye.

Α.

                 Hi.
                      Good morning. This is the disputes
           Q.
 4
     department with Portfolio Recovery Associates. Our
 5
     calls may be monitored or recorded.
     communication is with a debt collector, but it is
 6
 7
     not an attempt to collect a debt. My name is
     Tynedra Russett (phonetic). May I have your first
 8
 9
     name, last name, and account number?
10
                 My first name is Laura. The last time
           Α.
11
     you have for me is Lynn, L-Y-N-N, and the account
12
     number is 5 -- can I just give you the last four
13
     digits of it?
14
                 No, I need the full account number,
           Q.
15
    ma'am.
16
                              6049.
           Α.
                 Okay.
                 And I'm sorry. May you state your name
17
           Q.
18
     once more for me, please?
19
           Α.
                 Laura Lynn.
20
                 Thank you. And may you verify your date
           Q.
     of birth as well as the last four of your social?
21
22
                 -1962. Five -- sorry.
           Α.
23
           Q.
                 It's --
24
           Α.
                 1083.
25
           Q.
                 Okay.
```

I had to do that in my head. 1 Α. 2 All right. And are you calling about Q. 3 the Capital One bank account that was opened on 4 March 8th, 2001, and the balance I see is \$2,997.63? 5 That's what -- allegedly, there's an account of that, but that -- that's what you're 6 7 alleging. I'm calling because I received a letter on January, February -- April 4th -- I had to do 8 9 that one in my head too -- 4-1-2021. 10 And the letter was addressed to my 11 address, 500 Amity Road, Suite 5B, No. 306, Conway, 12 Arkansas, 72032, and it says "Portfolio Recovery 13 Associates, LLC, has concluded its investigation of 14 your dispute and it's closing your account," and the 15 balance shows as zero. 16 That is accurate --Q. 17 Do you all have a record having some --Α. 18 Yes, I do show that this account was Q. 19 closed in debtor favor. So in your favor. 20 Α. Okay. So then why, when I started the conversation with you, did you say are you calling 21 about the --22 23 Because I have to --0. 24 -- the account that has --Α. 25 -- because I have to provide that Q.

information to you. That's just the part of the 1 2 protocol here because we have to conclude that this 3 is the account that you're calling for. I didn't say it was open or closed. I just asked you, "Is 4 5 this the account that you're calling for?" Oh, okay. So yeah. Because that makes 6 Α. 7 it a little scary to me, that, you know, like -like, you didn't get rid of the account. So what I 8 9 need for you to do -- oh, what happened is you 10 actually wrote the letter, not you, personally, but 11 you know, your company. 12 Q. Huh-uh. 13 When I say "you," I mean Portfolio 14 Recovery Associates, LLC, but when you wrote the 15 letter, "Dear Laura Lyman" -- so the last name is L-Y-M-A-N. So, like, when I first saw it, I thought 16 17 it was me because I sight read. 18 You know, I don't sound out words like 19 my five-year-old granddaughter. I actually, you 20 know, just see the "Laura" and then the "L-Y" and the last "N" and I just presumed it was to me. 21 22 And -- but then when I went to document 23 it, I saw that the account number on the letter is 24 -- ends in 0992, and it -- none of the digits are 25 the same as mine, and it actually starts with a .

```
So it's quite different than mine.
 1
                                          It is to the
 2
     same bank.
 3
                 So the rest of the information looks
 4
     just the same as the original letter that I received
     from you, but for some reason, do you -- can you
 5
     tell me why it has somebody else's account number
 6
     and name on it?
 7
                 Okay. So what is the name on the --
 8
           Q.
 9
     hold on. Let me -- hold on. Give me one second so
10
     I can get -- gather all this information.
11
           Α.
                 Okay.
12
                 Okay. All right. So what is the actual
           Q.
13
     name on the paperwork that you received?
14
                 Laura, L-A-U-R-A, just like my name,
15
     then L-Y like the first two letters of Lynn.
16
                 Huh-uh.
           Q.
                 And then the last three letters are
17
           Α.
18
     M-A-N, like the word "man." Mary, Apple, Nancy.
19
                 Let me see something here.
           0.
20
                 And the last four digits of that account
           Α.
     number are 0992.
21
22
                 And that's on the paperwork that you
           Q.
23
     received?
24
           Α.
                 Yes.
25
           Q.
                 Okay.
```

```
And it's dated -- it's dated 3-18-2021,
 1
           Α.
 2
     but it did not arrive to my post office box until
 3
     April 1st, 2021.
 4
                 I see. I'm taking a look here because
 5
     that looks pretty strange. Does it give you -- it
     doesn't give you the full account number? Just the
 6
     last four?
 7
 8
                 It does give me the full account number.
           Α.
 9
           0.
                 Okay.
10
                 Do you want that?
           Α.
11
           Q.
                 Please.
12
                             0992.
           Α.
13
                 Okay. Allow me one moment. That is so
           Q.
14
     strange.
               I --
15
           Α.
                 Do you have that system in your account
16
     number?
17
                 I did pull up that account number, and I
           Q.
18
     do see here where your address was updated on this
     account on March 31st. How that happened -- I don't
19
20
     know how that person got your address. I don't -- I
21
     really don't have a way to explain it.
22
           Α.
                 The -- oh, you said that it was updated
23
     on March 31st?
24
           Q.
                 Yes.
25
                 Okay. So somehow on March 31st, that
           Α.
```

```
person's address got updated to my address. What's
1
 2
     on my account? Do you still have my address?
 3
                 Give me a second. Address update --
           Q.
     let's see. Can't -- oh, I do see here. Okay.
 4
 5
     it looks like -- I quess it was a bit of confusion
     or just a mixup. They did -- went ahead and -- on
 6
 7
     that same day on March 31st and they canceled -- I
     guess the complaint came in some way and they --
 8
 9
     they entered -- it says "entered on wrong account."
10
                 So it somehow got messed up, and whoever
11
    was responsible for doing that work at that time had
     to -- they had to go back and review and they found
12
13
     out they had an error. So it is fixed on your
14
              That person's address is no longer listed
     behalf.
15
     as your address. Let's --
16
           A.
                 Okay.
17
                 Yeah. I'm sorry?
           Q.
18
                 So Laura Lyman does not necessarily have
           Α.
19
     a zero balance? She has some other balance?
20
                 Right. Exactly. Correct.
           Q.
21
                 The -- okay. So they meant this letter
           Α.
22
     to come to Laura Lynn at my address with my account
23
     number, but when they went to generate the letter,
24
     they had to input the account number and name again
     or something? Is that what -- when they go to
25
```

- generate the letter for me, did they -- like, that 1 2 person who entered the wrong data, when did they 3 enter that wrong data? 4 I mean, I really can't go into too much Q. 5 details on Ms. Lyman's account because that is a different person, but the error was fixed --6 7 Α. Okay. Yeah, the error was fixed. They did 8 9 notice it. I quess they couldn't catch it before 10 the letter went out, but I can see here that it was 11 corrected for you. 12 (Unintelligible) you won't -- you aren't Α. 13 going to send Laura -- did you send anything else to 14 me besides this letter and the one letter on -- it's 15 -- there's one letter dated February 19th, 2021. didn't receive that until, like, March 2nd, 2021 --16 17 Is that the fraud affidavit that you're Q. 18 speaking of? 19 Yeah, the -- that's the fraud affidavit. Α. 20 Q. Okay. So that came to me, and then this second 21 Α. 22 letter that's dated March 18th, 2021, came to me and 23 it got to me on April 1st, 2021.
  - Q. Huh-uh.

24

25 A. And other than those two letters, were

```
there any other letters sent out to me that might
 1
 2
     have gone to Laura Lyman instead?
 3
                 Well, as I'm looking at your account,
           Q.
 4
          So I all I see is the fraud affidavit that was
 5
     -- it's listed on 2-18, but of course you got it
     days later. That's just when it was requested for
 6
 7
     you.
           Let's see --
                 So -- so those dates aren't the mailing
 8
           Α.
 9
     dates? Those are just, like, the --
10
           Q.
                 The request dates, yes.
11
           Α.
                 That's when you generate the letter or
12
     request -- oh, that's the request date?
13
           Q.
                 Yes.
14
                 But then, yeah, because I wondered why
           Α.
15
     it was so much further to when it got to me.
16
           Q.
                 Right.
17
                 And I, you know -- okay.
           Α.
18
                 So that's --
           Q.
19
                 How come they never mailed me --
           Α.
20
                 I'm sorry. Go ahead, Ms. Lynn.
           Q.
                 How come they never mailed that initial
21
           Α.
22
     disclosure?
23
                 I don't believe they're going to send a
           0.
24
     disclosure -- you're talking about for the mixup of
25
     the account?
```

```
No, the -- the -- or they call it a
 1
           Α.
 2
     "mini Miranda," but -- where you -- you're supposed
 3
     to disclose to the -- like, no one ever told me that
     I could ask for my verification of the --
 4
 5
           0.
                 Of the -- of the debt?
                 -- debts.
 6
           Α.
 7
           0.
                 Okay. I'm --
                 And so I did (unintelligible) myself,
 8
           Α.
 9
     and I wrote three letters to you asking for the
10
     verification of the debt, and I never got that.
11
                 Oh, I'm so sorry. We have a specific
           0.
12
     mail team that should have -- I believe they should
13
     have put in a request to validate the debt for you.
14
     So I'm sorry that that didn't happen for you at that
15
     time.
            I'm not sure -- I can't speak for what
16
     happened --
17
           Α.
                 Okay.
18
                 So that -- that's usually what happens.
           Q.
19
                 Right. Are you able to do that now?
           Α.
20
                 Yes, ma'am. Let's see here.
           Q.
21
                 Okay.
           Α.
                 Let me take a look at the account.
22
           Q.
23
     trying to just pull up the statement on your
24
     account.
               All right, Ms. Lynn. Well, actually, I
25
     don't even have any statements on this account to
```

```
even send -- send to you. So that's probably why it
 1
 2
     was closed in your favor. Let's see.
 3
                 Oh, because there is no statement?
           Α.
 4
                 Right. Right.
           Q.
 5
           Α.
                 Oh.
 6
           Q.
                 Yup.
 7
           Α.
                 Okay.
                 Huh-uh. Yeah, so what they're --
 8
           Q.
 9
                 -- so the whole thing says --
           Α.
10
                 So what happens is, yeah, they're --
           Q.
11
     they purchase the old accounts that have charged-off
12
     debts.
             Some come with statements and some may not
13
     come with statements.
14
                 So in your case, it didn't -- your
15
     account didn't come with any statement, but that
     doesn't mean they can't try to collect on the debt
16
     unless you ask for validation.
17
18
                 And when you ask for validation, if we
19
     have the information to send you, we'll go ahead and
20
     send you out the statements from the original
     creditor.
21
22
                 If we don't have any statements to
23
     validate the debt for you and there is a dispute on
24
     the account, we'll just go ahead and close the
25
     account for you because we don't have anything to
```

```
say, "Well, there is no creditor stating that you
 1
 2
     owe this, and this is how we validate it" because we
 3
     don't have any validation.
 4
           Α.
                 Okay. So now can you -- are you -- I
 5
     want to use the word "forbidden." You know, are you
     not allowed anymore to sell this debt to anyone
 6
 7
     else? Like, I don't go through this again in ten
    more years?
 8
 9
                 Right. This account is definitely
10
     closed with us, yes.
11
                 Okay. It will not be sold to anybody
           Α.
12
     else?
13
                 I'm not sure how that process works, but
           Q.
14
     I know for a fact that here, it's closed with us.
15
     I've never seen an account get resold.
16
           Α.
                 Okay. But --
17
                 So I can't -- yeah, I can't say yes or
           Q.
18
     no because I've never seen an account get resold.
19
           Α.
                 Oh, you're not aware that your company
20
     does resell their --
                 Right, the --
21
           Q.
22
                 -- the ones they can't collect on?
           Α.
23
                 Exactly.
           0.
24
           Α.
                 Okay. So can you do me one -- one more
25
     -- a big favor? I don't know if I already asked you
```

```
1
     this, but can you send -- generate a second letter
 2
     that says my --
 3
                 The account was closed?
           0.
 4
                 -- my name and my account number on it
           Α.
 5
     so I have something in writing besides the
     recording?
 6
 7
           0.
                 Yes, ma'am.
                 You know, because it's hard to show
 8
           Α.
 9
     people recordings; you know what I mean?
10
                 Yeah, definitely.
           Q.
11
           Α.
                 Like, so, yeah. So if you
12
     (unintelligible) --
13
           0.
                 Yeah.
14
                 -- then that would be comforting to me
15
     because right now, if I went, you know -- in ten
16
     years from now, Portfolio Recovery Associates, LLC,
17
     contacts me and says that I have this debt for
18
     $2,297.63, and I say, "No, you've already closed
     that account," they will say, "No, we didn't. We
19
20
     sent you a letter that says 'Laura Lyman' with a
21
     different account number on it. We didn't close
22
     your account."
23
           0.
                 Right.
                 So that's what I'm afraid of.
24
           Α.
25
                 I understand.
           Q.
```

```
1
                 So if you could send me a corrected
           Α.
 2
     letter, then I will be able to sleep at night,
 3
     maybe.
 4
                 I definitely understand that. Yes, I
           Q.
 5
     will go ahead and request that letter for you, and,
     again, you should receive it within the next seven
 6
     to ten business days, okay, Ms. Lynn?
 7
 8
           Α.
                 Okay. And what's your name again?
 9
                 My name is Tynedra. Tynedra, Tynedra.
           0.
10
     Break it down. It's so long.
11
                 Tynedra?
           Α.
12
           Q.
                 Yes.
13
                 What -- will you spell your name for me?
           Α.
14
                 T-Y --
           Q.
15
           Α.
                 I'm sure you have to spell it a lot.

19
           0.
                 Yup.
20
                 That's a beautiful name.
           Α.
21
                 Thank you so much.
           Q.
22
                 Okay. Well, yeah, thank you, and I hope
           Α.
23
     to receive that letter, and then I hope not to hear
24
     from your company ever again except for in my
25
     litigation against them. Okay. Thank you.

No problem. Have a great day.

 3
                 Thank you for calling. This is Resa
           Q.
 4
     Gore. You called in on a recorded line. Who am I
 5
     speaking with today?
                      My name is Laura Hammett.
 6
           Α.
                 Hi.
                                                  It used
 7
     to be Laura Lynn that I -- on the account.
                 Okay. What did you say your last name
 8
           Q.
     is now?
 9
10
                 Hammett, H-A-M-M-E-T-T.
           Α.
11
           Q.
                 Okay. And Ms. Hammett, how can I assist
12
     you?
13
                 I just received a -- it's like an
           Α.
14
     account statement that allegedly is, you know,
15
     belonging to me, and the numbers aren't matching up,
     and so I called Capital One to find out why, and
16
17
     they just transferred me to you. So --
18
                 Okay. What is the last four --
           0.
19
                 That's how I ended up here.
           Α.
20
                 What is the last four -- last four of
           Q.
     your social so I can bring up information?
21
22
           Α.
                 7083.
23
                 Okay. Give me just a moment. Okay. I
           0.
24
     did locate your account. Let me get through just
25
     the required disclosures real quick, Ms. Hammett.

The law limits how long you can be sued on a debt
 1
 2
     and how long a debt can appear on your credit
 3
     report. Due to the age of this debt, we will not
     sue you for it or report payment or non-payment of
 4
 5
     it to a credit bureau.
                 Depending on the laws of your state,
 6
 7
     certain actions such as making a payment or promises
     to pay the debt may restart the last -- may restart
 8
     the time period for the filing of a lawsuit against
 9
10
     you, but even if that were the case, we still will
11
     not sue you on this debt.
12
                 So the mailing we have for you is the
13
     500 Amity Road, Suite 5B, 306, Conway, Arkansas,
14
     72032. I see telephone number (760) 966-6000; is
15
     that correct?
16
           Α.
                 Correct.
17
                 And do you want to update an e-mail
           Q.
     address at this time?
18
19
           Α.
                 No.
20
                 Okay. All right. So the balance is
           Q.
     $2,297.63. What numbers are not matching up? And I
21
22
     can check things on this end.
23
                 Okay. So it's -- do you see a statement
           Α.
24
     from April 7th, 2011?
25
           Q.
                 Hold on. I got to sign into that
```

```
program. Let me -- bear with me. My computer is
 1
 2
     lagging a bit this morning. Okay. For some odd
 3
     reason, my system is not bringing up any statements.
 4
                 I can see the -- what we call the "load
 5
     document," which is the information we get when we
     first purchase an account, which has all of the
 6
 7
     information. Like, I can tell you your principal
     balance, which was the unpaid merchandise, the
 8
 9
     $1,9605, and there was $381.58 of interest.
10
                 I'm sorry. I gave you the wrong
11
     information. All right. So the principal balance,
12
     which was the unpaid items, came to 1,399.91.
                                                    Still
13
     trying to see if these other statements will load
14
     up, and unfortunately, I cannot get the statements
15
     to open up.
16
                      (Unintelligible) the statements?
           Α.
                 Oh.
17
                 Which are -- well, it's not loading any
           Q.
18
     statements at all on this end. Now, I do see
19
     letters it looks like you sent in. One dated
20
     March --
                 Are you still there?
21
           Α.
22
                 Yeah, I'm here.
           Q.
23
                 Oh, okay. You're just reading.
           Α.
24
                 Yeah, I'm just still trying to get
           Q.
25
     things loaded up. I think most of the documents we
```

```
have here is, you know, the letters you sent in.
 1
                                                         Ι
 2
     see one here dated March 2nd that you'd sent in.
 3
                 Can you see the letter?
           Α.
                 Yeah, I can see the letters. Here's one
 4
           Q.
 5
     from March 4th of 2021, and then March 15th.
 6
           Α.
                 I spoke to you once before, I think.
 7
           Q.
                 To me --
                 (Unintelligible) -- yeah, do you show
 8
           Α.
 9
     that?
10
                 Hold on. I can review the notes here
           Q.
11
     because any time we put a note in, it puts our
12
     identification numbers in.
13
                 Yeah, I think you said to me -- Resa
           Α.
14
     Gore, right?
15
           0.
                 Yes, R-E-S-A G-O-R-E.
                 Yeah, I just remembered that name.
16
           Α.
                                                       It's
17
     kind of an --
18
           Q.
                 Unusual.
19
                 Unusual.
           Α.
20
           Q.
                 Unique.
21
                 Yeah.
           Α.
22
                 The first name is unique. The last name
           Q.
23
     is common, political, you know, but I don't see my
24
     number in here, but it doesn't mean that it probably
25
     didn't -- because if it happened -- so, anyway,
```

unfortunately I cannot bring up those statements, 1 2 and I do apologize for that. 3 That's weird. You don't see where we Α. 4 spoke? 5 0. No, ma'am. I do show that you had spoken with several people. 6 Yeah, you had -- (unintelligible). 7 Α. That's funny. I don't -- like, right in front of 8 9 I don't feel like going and getting them just 10 because I was -- anyway, back to what I called about 11 because that's the thing that's, like, perplexing to 12 me. 13 Q. Okay. 14 I was going to call on Tuesday -- I 15 received a copy of a statement, and so I don't know, like, why it's not pulling up on your end but --16 17 Q. I don't know. My system is just not loading it today. 18 19 -- okay. Maybe you can answer just, 20 like, in general. So because, like, I don't have 21 much experience with credit cards. 22 Right. Q. 23 And you know, like, I basically just pay Α. 24 them when they come, and, you know, I usually pay 25 everything off in full, but here it's saying --

```
okay. Do you have, like, a -- just somebody else's
 1
 2
     credit -- Capital One statement that you can pull up
 3
     that you can see what I'm talking about?
                 Unfortunately, no, because my shift just
 4
           Q.
 5
     started.
               So you're actually my first phone call for
     today. So I don't have any other accounts that I
 6
 7
     can access at this point in time.
           Α.
                 Okay. Well, let me -- let me tell you
 8
     -- and you do this all the time. You might, like,
 9
10
     recognize --
11
                 Yeah, I've been with this company for
           Q.
12
     12 years, yes.
13
                 Wow. Okay. So, let's see. You know
           Α.
14
     across the top it says -- not the top but, like,
15
     kind of the middle of the page, it says "previous
16
     balance minus payments and credit plus fees and
17
     interest charged plus transaction equals new
     balance"?
18
19
                 Correct.
           0.
20
                 Okay. And new balance is 1,916.05,
           Α.
     which is consistent with that first number you said,
21
22
     the charge-off amount.
23
                 Right. That is the charge-off amount
           0.
24
     and I do see that, and, you know, I saw that on that
```

one thing. That was the charge-off amount. So that

was the principal balance plus the interest and fees 1 that had accumulated on the -- the principal 2 3 balance. Okay. Then there's another -- like, 4 Α. 5 down below on the right-hand side, like, the right half of the page, there's something that says -- of 6 7 course, it says "Help is available," and gives their phone number, which is the one I called this 8 9 morning. 10 But then it says "interest charged 11 calculation," and the interest charged calculation 12 is broken down into type of balance, being purchases 13 and cash, then annual percentage rate, APR, and then 14 balance subject to interest rate, and the interest 15 charge. 16 So, you know, they just went straight across and said, like, "Okay. This balance is 17 18 subject to" -- and all right. So I'll give you the 19 -- one of them was the purchases, let's say, okay? 20 So the purchases \$1,261.77. Did you write that 21 down? 22 You said 1,200 -- what was it? Q. 23 61 and \$0.77. Α. 24 Okay. Q. 25 Okay. Now, the cash balance is \$599.65. Α.

And that's a cash balance? 1 Q. 2 Α. Yes. 3 Like, a cash advancement, maybe, because Q. I know on charge cards, you can get cash 4 5 advancements. Oh, I don't know. I mean, I don't do 6 Α. 7 those --Usually, cash advances are only up to a 8 Q. 9 couple hundred dollars, but it also depends on, you 10 know, your credit line and your credit score at the 11 time the account was opened up. 12 Α. Oh. Okay. Well, so -- and I don't 13 recall, you know, taking a cash advance out on any 14 credit card, ever. I don't know why I would have 15 done that. I --16 It's most definitely not something I 0. 17 recommend because the interest is higher on cash 18 advances. 19 So the interest rate on both of these --20 it's actually the same for the cash and the purchases but the interest rate showing is 21 22 29.40 percent and then followed by the letter "D." 23 What was that? I'm sorry. 0. 24 29.40 percent and a capital "D" after 25 that. So -- and then I did see --

Like a variable -- variable interest 1 Q. 2 rate? 3 Is that what "V" means usually on the Α. 4 Capital One account? 5 I would -- I would say yes. I mean, I have a Capital One account at home, and, to be 6 7 honest, I never really checked my statements that closely, but I would assume that the "V" is like a 8 variable interest rate. 9 10 Oh, "D" like as in dog. Α. 11 Oh, "D" like in dog? 0. 12 Not "V" like in variable, yeah, and I Α. 13 think that, like, on the second page of the credit 14 card statement, it might say what these letters 15 stand for, but I -- so the print is so tiny. I can 16 barely even read it. You know how hard it is to 17 read that kind of --18 I just -- I just did a Google because I 19 love Google. So I put in there "What does the D in 20 the interest rate on the Capital One statement mean?" And it says "The interest rate is charged on 21 22 top of the principal by the lender for the borrower 23 for the use of assets. The interest rate also 24 applies to earned -- amounts earned at a bank or

credit union from a deposit account." So apparently

it's just the type of interest rate. 1 2 Α. Okay. So the annual percentage rate. 3 So this is -- the first problem that I'm having is you added those two numbers, the 1,261.77 and the 4 5 599.65. It comes out to \$1,861.42, but the previous balance is \$1,834.57. 6 7 So they're close, but they're not -they're, like, \$30 off, you know, \$28 off, something 8 9 like that. So why is there a difference between the 10 subject balance to interest rate? Wouldn't those 11 two balances equal up to the previous balance? 12 Is there late fees included in Q. Okay. 13 that? Or any over the credit limit fees? Because 14 that could be the difference. 15 Α. So there is a past due fee, but that would be, like, included, and then is that the --16 17 the past due fee is \$35, and if you add 35 to 18 1,834.57, you get 1,869.57. So 1,869.57 is still 19 not the same as 1,861.42. So they just don't match 20 up. And I wish my statements would load so I 21 Q. 22 can see exactly what it is you're talking about. 23 Are you trying to get your statements Α. 24 for just, like, a generic -- on somebody else's

account? Or you're still trying to get to my

1 statements --2 No, yeah, I mean, and it's still not --Q. like I said, I can't bring up any other accounts at 3 this point in time because I just got to work. 4 5 So --My -- (unintelligible) -- is the account 6 7 documentation on mine coming up? Or you can't find that? 8 9 Okay. All -- like I said, all -- all I Ο. 10 can bring up with your account is that load 11 document, which is the paper that we get when we 12 purchase the account, you know. 13 It has, like, your address at that point 14 in time is 5757 Erlanger Street there in San Diego, 15 and it has last four of your social, your date of 16 birth, and the date the account was opened, the 17 first date of delinquency, charge-off date, last 18 payment date, charge-off amount, current balance, 19 charge-off interest, charge-off fees, which 20 surprisingly was zero because usually Capital One, who bought HSBC Bank charges, you know, charge-off 21 22 fees, but there was none on yours. It shows that 23 it's a Capital One, US Bank, principal balance --24 Α. (Unintelligible). What's a charge-off 25 fee? Like to -- like if they had it, what --

Okay. Charge-off fee -- Capital One --1 Q. 2 and they must have started this after your account 3 was charged off because I see it a lot on the newer -- newer accounts. 4 5 And basically what it is is when an account is charged off, charge off is when they move 6 7 it from a paying status to non-paying status on the credit bureaus. So that entails some paperwork, 8 9 some documents, all this good stuff. 10 So Capital One now charges a charge-off 11 fee and I have seen that be anywhere from, you know, 12 50, 60 bucks up to several hundred bucks based on 13 the total balance of the delinquent account, but 14 apparently your account was charged off prior to that happening because your account was actually 15 charged off in 2011. 16 17 Now, the account itself was maintained 18 for nine years. It was in an open status for nine 19 It was opened up May 8th of 2001, and the 20 last payment was June 4th of 2010. Capital One charged it off April --21 22 Α. Okay. 23 -- 8th of 2001? 0. 24 Α. How much was the --25 Do what? I'm sorry. Q.

How much was the payment amount? 1 Α. How 2 much was the last payment amount? 3 It's not showing on that screen. Q. check on the other screen. Give me just a moment. 4 5 Okay. So last purchase was August 31st, 2010, and it's not showing me the last payment amount. 6 7 Α. That's really weird. So the last purchase -- does it show what the last purchase was? 8 9 Or the amount of the last purchase? 10 No, it just shows me the date, August Q. 11 31st, 20 -- 2010. 12 Does it show who signed, like, for the Α. 13 purchase? 14 No, and even when we purchase accounts, 15 we don't get the signature documents, you know, like, the -- what you sign when you purchase 16 17 accounts, you know. 18 So we can't even tell you if it was an 19 online purchase or, you know, purchase at a store or 20 anything like that, and, again, without being able to bring up any of the statements -- and I can't get 21 22 any statements to even pull up to even show that 23 there's statements on file -- which kind of ties my 24 hands of being able to best help you. 25 Α. Okay. So, but you -- I got this mailed

```
to me by your company -- this was given to me by
 1
 2
     your company in the mail. So --
 3
                 Right. And, I mean, it looks like the
           Q.
     account was in the disputes department at that point
 4
 5
     in time. So they might be able to have access to
     different documents. Are you -- let me ask you
 6
 7
     this, Ms. Hammett: Are you still disputing the
     account?
 8
               Or --
                 Yeah, yeah, I am. I'm disputing it and
 9
10
     I got this -- they -- they gave me this statement,
11
     but the statement doesn't make any sense because,
12
     like I told you, the previous balance doesn't equal
13
     the balance that was subject to interest rate.
14
                 So that's why I called to ask you, like,
15
    what am I missing here? Like, if there's some --
16
     like, have you ever seen that happen before, where
17
     the balances subject to interest don't equal up to
18
     the previous balance?
19
                 Again, to be honest, I never really paid
           Q.
20
     that much attention to it before, you know. I never
     dissected my -- my credit card statements, you
21
22
     know --
23
                 I think -- (unintelligible).
           Α.
24
                 Do what? I'm sorry.
           Q.
25
                 I'm sorry. Don't you -- well, don't you
           Α.
```

```
call people all the time and, like, try to get them
 1
 2
     to pay the, you know, balance? And then don't they
     ever ask you that? Like, you --
 3
                 I -- again, I've been with this company
 4
           Q.
     for 12 years, and I've never, ever had anyone ask me
 5
     that particular question. You know, usually, I do
 6
 7
     statements with them, you know --
                 -- okay. I guess what I was trying to
 8
           Α.
     find out is if this was normal because since I don't
 9
10
     have any experience with credit card statements, I'm
11
     thinking, like, you might have something that you'd
     say, like, "Oh, yeah, that -- they do that because"
12
13
     -- like, like, you had suggested maybe it had to do
14
     with the (unintelligible). But, you know, having
15
     the QE (phonetic) in doesn't change things, either.
16
                 So, you know, it still doesn't match up.
     So I was just wondering if there was some kind of,
17
18
     like, way that -- that, you know, this happens to
19
     other people, but it hasn't happened to anyone that
20
     you've spoken with in 12 years?
21
                 No.
           Q.
22
                 I know, like --
           Α.
23
                 The only thing I can really suggest --
           0.
24
     and maybe this will be helpful -- is --
25
           Α.
                 Yeah.
```

1 -- I can get you over to our disputes Q. 2 department. 3 Α. Okay. Because, like I said, they might be able 4 Q. 5 to bring up different things in our statement -- in our system than what I'm able to do. I just know 6 that --7 8 Α. Yeah. 9 -- in my computer, in my department, I 10 cannot bring up that particular statement that 11 you're questioning. 12 Okay. Are they there today, the Α. 13 disputes department? Because it's the weekend. 14 You know, I'm not sure. I will try to 15 get you transferred over there, but let me give you their telephone number too. 16 17 Α. Right. 18 Because it does show they're only open 8 0. to 5. So I don't know if that's every day or just 19 20 Monday through Friday, but let me go ahead and give you their -- their direct line number, and then, 21 22 that way, if I can't get you transferred over there 23 you can call that number on Monday, okay? 24 Α. Okay. Okay. 25 Okay. So their number is (866) 428-Q.

428. 1 Α. 2 -- 6589. Q. 3 Yup, 6589. That's --Α. And if it asks -- if it asks for an 4 Q. 5 extension, it's 10181. 10181. What's that stand for? 6 Α. That's the extension number. 7 Q. 101 -- oh --8 Α. 9 Like, if you call -- like, if you call 0. 10 the number that you just called, and it says "If you 11 know your party's extension, please enter it now," 12 that would be what you put in, the 10181. 13 Α. Okay. And then let me ask you one more 14 question since you've been so helpful. 15 0. Certainly. So you might have the answer to this 16 17 So when I first started giving you the data, 18 it says 1,834.57 plus fees and interest charged --19 oh, I know what it was. 20 I -- I went in and I subtracted the fees and interests charged -- I mean, I subtracted the 21 22 fees, the \$35 fee, and so I came up with the 18 --23 with the 18 -- what the previous balance would have 24 been without the fees if you had -- and it was, like 25 1,869.57.

```
So that -- that's what the previous
 1
 2
     balance is showing, if you don't include -- how do I
 3
     do this?
               I'm sorry. I'm getting mixed up.
     Anyways, I worked backwards.
 4
 5
                 Oh, I took the $35 off the 1,916.05.
     That's how I did it. Okay. So I take the -- I took
 6
 7
     that off to find out what my new balance should be,
     and then I just use that 29.4 percent interest.
 8
                 And I went -- I just went on a, like,
 9
10
     calculator and put in the 1,834.57 and the
11
     29.40 percent, and it didn't come up quite right.
12
     And so I, like, tried messing around and seeing,
13
     like, what would come up right, and 1,836.07 is the
14
     number that would come up.
15
           0.
                 Huh-uh.
16
           Α.
                 That -- that would be right.
17
                 Again, ma'am --
           Q.
18
                 Like, if I --
           Α.
19
                 -- I don't know if on credit cards --
           Q.
20
     again, is the interest compounded daily? Is it a
     variable interest? I mean, that's stuff that, you
21
22
     know, I know it's in the fine print of all the
23
     documents when you first sign up for an account.
24
                 You know, and I know just like with any
25
     loan, you know, your mortgage or vehicles, you know,
```

```
some interest compound daily. Some interest
 1
 2
     compound just, you know -- just straight interest.
 3
     Some is variable. It's really hard to calculate,
     you know, exactly where those numbers are unless you
 4
 5
     have that program that can, like, do a variable or a
     daily or whatever the case may be.
 6
 7
                 And, again, without being able to
     visually see the statements that you're looking at,
 8
 9
     it's hard for me really visualize everything.
10
     mean, there's aspects of it that I can visualize
11
     just based on my own statements at home.
12
           Α.
                 Okay.
13
                 And I know that, you know, a lot of that
           Q.
14
     is very confusing. Math was never my forte in high
15
     school -- in grade school. I will admit to that,
     but yet all of my jobs that I've had over the last
16
17
     20 years --
18
                 I love math.
           Α.
19
                 -- 30 years have been math.
           0.
20
                 Well, I love math and this is driving me
           Α.
     mad, and so I see that the difference is $1.50
21
22
     between the balances. So, like, maybe somebody
23
     added $1.50.
24
                 I think that it -- I think that I know
25
     what they did wrong, but I just wanted to find out
```

if -- like, I don't -- I don't think that these were 1 the actual numbers. I think somebody put them there 2 and -- and they calculated backwards. So, anyways, 3 I --4 5 And all of that would have been done Q. when Capital One actually had the account prior to 6 7 us getting it because, you know, all of the statements were sent out prior to our purchase date, 8 9 which was November of 2013. 10 And so by the time we purchase an 11 account, you know, all of those fees, interest, the 12 whole nine yards, has already been calculated in 13 there, and we can only go by statements that we are 14 able to pull up or provide, that load document, 15 which I had which, you know, just had some basic 16 information. 17 Do you usually have these full Α. 18 statements? Like, do they come in when you buy the 19 whole package? 20 It depends. It depends. Now, I've had Q. some accounts -- now, accounts that have been opened 21 22 up as long as this one has, we obviously don't get 23 all of the statements. I mean, that would be next 24 to impossible, because, like I said, you're talking

about a nine year -- of an active, open account

25

versus, you know --1 2 Α. Right. 3 -- an account that maybe was just open Q. for one or two years. So sometimes I get all of the 4 5 statements. Sometimes I don't, and sometimes it's just random statements or they'll be -- I've worked 6 accounts where I've have several statements, and 7 then there will be four or five months no 8 9 statements, and then statements start again. 10 Usually the four or five months of 11 missing statements is because there were a zero 12 balance on that account, and then purchases were 13 made again and that's when the statements regenerate 14 to us. 15 So it basically just depends on what the original creditor does supply us and, again, I mean, 16 17 our technology has increased. We do get more 18 information now on the newer accounts than, you 19 know, some of these more older accounts, you know. 20 Because I'm looking at this account too, and your charge-off amount was the 1,916.05, but 21 22 when we purchased the account, the balance was up to 23 \$2,297.63. So my experience, because I actually 24 have worked for this company since 2009 -- was it 25 2009? What year did I start? Seems like forever.

1 Whatever 12 years ago was. 2 Anyway, we used to -- or they used to 3 continue to accumulate interest on that unpaid 4 balance because when I first started working for the 5 company, we would negotiate interest rates to lock in the payment plans. 6 Now -- and it makes sense now -- it's 7 redundant to charge interest. If an account has 8 9 gone delinquent, and, you know, why continue to 10 charge interest? That's going to make it harder for 11 the client to do any type of repayment. 12 So years ago, all interests on our 13 accounts stopped. We work with the dollar amount 14 that was charged off. So, like, if you look at 15 these two numbers -- hold on. I can tell you what 16 they are. 17 Yeah, the 1,916.05 and the 2,297.63. Α. 18 Yeah, \$381.58 of interest that these 19 accumulated on this account after that initial 20 charge-off date. Okay. And who -- like, do they have the 21 Α. 22 credit card? Like, any proof to me that I have that 23 account? Like, I just don't even remember it. 24 do you, like, a --Well, you -- you have a statement there. 25 Q.

```
Was the statement going to an address that was yours
 1
 2
     at that time?
 3
                 On the statement, there -- I don't know
           Α.
     if it was at that time. I had that address in the
 4
 5
     past, but I don't know if that's the date that I
     moved there and, you know, lived there.
 6
                 Is that the Erlanger Street address --
 7
           Q.
                 (Unintelligible). No, that was the
 8
           Α.
     other weird thing. So, like, you have Erlanger,
 9
10
     which is actually not a good address for me.
11
     never was, but I know why they -- like, I was -- I
12
     put utilities in my name at one point but I never
13
    moved there, and then, like, I immediately decided
14
     not to move there. So I, you know -- but somehow
15
     they ended up with that 5757 Erlanger, but on the --
                 Well, yeah, that's what I --
16
           Q.
17
                 The (unintelligible) -- what's that?
           Α.
                 I said that was the address provided to
18
           Ο.
19
     us by Capital One when we first purchased the
20
     account.
                 Why would they give you an address that
21
           Α.
22
     was, like, some place that I got involved in after
23
     the charge off?
24
                 Well -- and that, again, I mean, I don't
           Q.
25
            I don't know because of the simple fact that,
     know.
```

```
I mean, this is information given to -- it could
 1
 2
     have been they got it off your credit bureau -- like
 3
     you said, if you put utilities in your name, they
 4
     might have located it on a credit bureau or they
 5
     might have got a notification, like, if you filled
     out any change of address through the postal service
 6
 7
     or anything like that because we do get those from
     Capital One --
 8
 9
                 I'm sorry. You -- who -- who got the
10
     update? You or Capital One?
11
                 That was the information that Capital
           Q.
12
     One provided us. So that was what we got from
13
     Capital One when we purchased the account back in
     2013. Now, I was looking through the notes --
14
15
           Α.
                 Okay.
                 -- and it looks like the first time we
16
           0.
17
     actually spoke with you -- let's see here -- March
18
     of 2017 we called a number, (870) 496-2653, but
19
     wasn't able to identify who we were talking to, and
20
     then --
21
           Α.
                 Right.
22
                 -- April, the same thing. The person
           Q.
23
     said that they didn't want to be on the recorded
24
     line --
25
                 That -- (unintelligible).
           Α.
```

1 Huh? Q. 2 That was a landline. Α. 3 Q. Okay. 4 Α. Sorry. 5 And then the next time we spoke to you 0. 6 was February of last year. You spoke with Tabitha 7 Boshears, and you had stated you got a lot of missed calls and -- and at that point in time, you told us 8 9 that the number we had called -- apparently, it was 10 a (760)966-6000 -- it was a work number? 11 Α. Right. 12 Q. Okay. 13 Yeah, (unintelligible) --Α. 14 So we mark that -- okay. And so we 0. 15 marked that "no calls at work," which stopped numbers going to that. Then we received 16 17 notification of a bankruptcy that you were doing pro-18 se, and that would have been March? 19 Oh, okay. Yeah --Α. 20 And then -- do what? Q. 21 I have to ask you a question. I have to Α. 22 ask you a question. Do you have a record of what 23 they called me before I talked to Tabitha Boshears? 24 Like, with the calls I didn't answer -- because I 25 was getting calls and they were saying, "Hi. This

is Resa Gore on a recorded line for Laura Lynn" --1 2 Right. And those were the two calls Q. 3 that -- in April -- that the number ended in 2653 4 that we had actually spoke with someone. It's --5 because we weren't able to identify anyone on -- at one, you just -- he or she -- it says "Laid down 6 7 phone, hung up, and the second one says Laid down phone, asked company name, and then said they didn't 8 9 allow recorded line and then hung up." 10 So these were the numbers that went to 11 Those were the two calls, and then the the 2653. 12 next communication was when you spoke with Tabitha 13 Boshears February of last year. So right about a 14 year ago. 15 And then we received the information of the bankruptcy pro se. We also got a -- some 16 17 written documentation on March 15th. That was those 18 letters that I was looking at. Then you spoke with 19 April, someone in another office. 20 That person is no longer there. can't see their name, and it looks like we restated 21 22 the accounts -- and then it looks like you spoke 23 with a Sherise Hinkins (phonetic). 24 Α. I don't remember that name. 25 And transferred you to disputes that Q.

That would have been April 12th. 1 day. 2 Α. Okay. 3 Disputes said that you received a letter Q. 4 with someone else's account info for a Laura Lyman. 5 Α. Oh, yeah, right, right. I remember that. 6 7 Q. Okay. And --Wait, let me back you up one second 8 Α. 9 because this is -- another thing that, like, I am 10 very confused about is that I remember getting calls 11 before that -- the one to Boshears. 12 Q. Huh-uh. 13 And just hanging up. Like, do you have 14 a record of the number of times that they tried 15 calling me and didn't get connected? Or didn't 16 have --17 We do -- we do have a call log. Let me Q. 18 -- let me see if I can get that loaded up. with me, please. 19 20 Oh, thanks. Α. Okay. So all right. A lot of the 21 Q. 22 numbers ended in 6000. Prior -- and that was --23 Α. Yes. 24 -- prior to what date here? Okay. Q.

it looks like starting November 18th, 2020, that's

25

```
when we were calling that number. Prior to that, we
 1
 2
     were calling the number ending in 2653. There was
 3
     also a (760) 470-1644 number. It looks like we just
     called that a couple of times. At (805) 295-1148
 4
 5
     and then (870) 496-2653 -- okay. That's the wrong
     number.
 6
 7
           Α.
                 So just concentrating on this 6000
     number, the one that I'm calling from right now.
 8
 9
           0.
                 Yes.
                 I -- what -- like, if you had tried
10
           Α.
11
     calling me and, like, your person spoke to me but I
12
     didn't talk back, would they have marked something
13
     on the account?
14
                 What it would -- what it comes up is a
15
     -- because we disposition using different codes like
     "answer machine, no message," "unknown party, did
16
17
     not ID." It means whoever answered the phone, we
18
     weren't able to identify them as the client or as
19
     you.
20
           Α.
                 Okay.
                 "Unknown party, did not get ID."
21
           Q.
22
                 (Unintelligible) --
           Α.
23
                 Dead air.
           0.
24
                 If I just -- dead air. Okay. So dead
           Α.
25
     air.
           Do you have dead air calls before that
```

```
November 18th?
 1
 2
           Q.
                 I'm seeing a lot of no contacts, invalid
 3
     numbers, but no dead air.
 4
           Α.
                 (Unintelligible).
 5
                 Okay. Here's no -- no -- "no contact,
     no answer, " "answer machine, no message left, " "no
 6
 7
     contact, no answer, " "wrong number, " "third party,

                 Yes, ma'am.

- 1 earlier calls from your company, and I called back
- 2 | and they said, like, you know, "Portfolio Recovery
- 3 | Associates"? Their -- you know, they have their --
- 4 | their recording that I heard, like, when I, you
- 5 know, call in there.
- 6 So, you know, I verified that's who it
- 7 was, and then why would you not have anything on
- 8 | your call list now, like, on -- like, is there a way
- 9 they can delete those?
- 10 Q. No, we -- there is no way we can delete
- 11 any of our call list. The person that -- okay.
- 12 You're right. We did -- I did see -- I went all the
- 13 | way back to when we first purchased the account. So
- 14 December 8th, 2018, I do see the 6000 number, got an
- 15 | answering machine.
- 16 A. Okay.
- 17 Q. It looks like that we called it again on
- 18 December 12th of that year. Someone said, "third
- 19 party, wrong number." Then we start dialing a
- 20 number, (760) 722-3337, and then about March of 2017
- 21 is when we start calling (870) 496-2653, and then
- 22 | March of 2018, we dialed a number, (760) 439-8660.
- A. That was my old boyfriend's number from,
- 24 | like, way back. That was from, like, 2001.
- 25 Q. Yeah, and then, like I said, for some

other reason, the 6000 number didn't come back into
play until -- there it is -- the November 18th of

2020.

A. So the reason why it's so important to

- A. So the reason why it's so important to me is because I have a record of earlier calls, and now I'm being told by Portfolio Recovery Associates that they did not call that number, but I know that they did. And so I'm trying to find out why or how they don't have it showing up. Like, you can't see it anymore. So --
- Q. Well, again, I can only go with what my -- you know, what I'm able to bring up on my system here, and I do know that our system of documents, every number -- whether it's, you know, we're calling out or someone is calling in, our system imprints that into the call log.

And however, like, when we're done with our conversation, you know, however I disposition this call is how it will show. Like, it -- I will, you know, show that I spoke with a customer, account unresolved, you know, type of deal.

- A. Right, right. Okay. Well, I guess, you don't know who the phone company is, do you?
  - Q. No, ma'am; I don't.
- 25 A. Okay. That's what I'm trying to find

1 out. 2 That's decisions made at our corporate Q. 3 office. You actually called into our Kansas office, and so, you know, I know what our procedures and 4 5 policies are and what I'm able to access from here. But when it comes to the fine intricates 6 of, you know, who is our phone service, who handles 7 our internet, you know, stuff like that, that's 8 information that I -- I don't need to do my job. 9 10 But, like I said --11 Α. Okay. 12 -- I mean, I can get you transferred Q. 13 over to the disputes department if they're open. So 14 I can put you on a brief hold, and if I can get 15 someone on the line there, I'll transfer you through. If not, I'll get back on the line and 16 17 just, you know, again, recommend that you call them 18 on Monday. 19 Α. Okay. 20 Q. All right. 21 Thank you. Α. 22 Not a problem. Give me a moment. Q. 23 AUTOMATED VOICE: Thank you for 24 contacting the Portfolio Recovery Associates, LLC, 25 Dispute Department. Our office is now closed.

1 2 9 2022 1 1 7062713701806185671 1 150.wav 2 3 Hello. This is Portfolio Recovery Q. 4 Associates, Lawanda Copeland speaking. How may I 5 help you? I'm sorry. I didn't get your 6 Α. Hello. 7 name. 8 My name is Lawanda Copeland. Q. 9 That's a tough one. I called on Α. Okav. 10 Saturday and spoke to Resa Gore, and she said to 11 call back and talk to somebody from the disputes 12 department because she couldn't answer my question. 13 What's your name? 0. 14 Α. My name is Laura Hammett. It used to be 15 Laura Lynn. 16 Could you verify the last four of your Q. social? 17 18 7083. Α. 19 Okay. So the law limits how long you 0. 20 can be sued on a debt and how long the debt can 21 appear on your credit report. Due to the age of 22 this debt, we will not sue you for it or report 23 payment or non-payment of it to a credit bureau. 24 Depending on the laws of your state, certain actions, such as making a payment or 25

promises to pay the debt, may reset the time period 1 2 for the filing of a lawsuit against you, but even if 3 that were the case, we still will not sue you on 4 this debt. 5 It looks like this account has been purged. This is a Capital One account. How can I 6 help you, ma'am? 7 What does "purged" mean? 8 Α. 9 Purged means we're no longer collecting 0. 10 on it. 11 Α. Oh. So I -- I got a copy of a statement 12 from Capital One, and it is kind of odd because, for 13 one thing, it didn't show up -- Resa Gore said she 14 couldn't find it in your old account level 15 documents. So I'm wondering if you could find it. 16 What are you looking for? 0. 17 It's a -- it looks like a statement from Α. 18 Capital One, and it's my name -- my old name on it and it says "address," but it has -- like, the 19 20 numbers don't quite come out right for -- for what, you know, they say that the interest charges were. 21 22 And I don't where this was obtained 23 because I had asked for it earlier, and it didn't 24 come to me. And then when I asked Resa Gore about 25 it on Saturday, she said she doesn't see it in my

```
sort of PRA Net (phonetic) that you're looking at.
 1
 2
                 Well, I mean, what's the -- did the
           Q.
     letter come from us? Or someone else?
 3
 4
                 Yeah, it came from -- someone in your
           Α.
 5
     company got it to me.
                 Is it -- does it say Portfolio Recovery
 6
           Q.
     Associates on that letter?
 7
 8
                 It says PRA.
           Α.
 9
                 Okay. All right. And does it have the
           0.
10
     account number on there? The last four is 6049.
11
           Α.
                 Yes.
12
                 Okay. So I just wanted to make sure
           Q.
13
     we're speaking on -- seeing the same thing.
14
                 Right. Right.
           Α.
15
                 So, now, the letter that you received --
           0.
                  The last letter that we sent was a
16
     let me see.
     dispute letter. It looks like it was disputed on --
17
18
     well, we -- you wouldn't have received that that
19
     soon because that was on February 5th.
20
                 February 5th of this year?
           Α.
                 Yeah, that it was disputed for an
21
           Q.
22
     incorrect balance -- is when you disputed it on the
23
     5th.
24
                 No, that's when I -- (unintelligible)
25
     Resa Gore.
```

So you wouldn't receive that letter yet. 1 Q. 2 The letter you're speaking of --3 Hello. Α. Okay. So I don't know what letter you 4 Q. 5 received or what letter you're speaking of, ma'am. To be honest, ma'am, just looking over the account, 6 7 I don't know what letter it is. We sent out a validation request letter --8 9 This is actually a Capital One credit 10 card statement, and then at the very top, it just 11 says, like, a kind of -- you can tell that it's not part of this document. It says "PRA," but so you 12 13 don't have --14 But it may be the validation from your 15 statements. It's just a letter from Capital One with your statements on it. It will have, like, 16 17 your balance, your interest --18 Validation --Α. 19 0. I'm sorry. 20 Right. Right. It is -- it's supposedly Α. a -- some kind of validation of the debt, but the 21 validation is inaccurate. Like, even if it was 22 23 mine, which it's not, but even if it was, they 24 wrote, like, the interest on the -- (unintelligible) 25 -- the purchases and the cash subject to the

interest rate and then the interest charge. 1 2 And then I put those same rates and 3 charges and subject balance into an interest rate 4 calculator, and it didn't come out the same as the 5 amount that you -- and I tried it, you know. Like, first I did it by compounding it 6 7 once monthly, and then -- then I tried it by compounding daily for 31 days because it was a 8 9 31-day month, and both times the calculation came 10 out with a different amount than is on the --11 I mean, the thing is, ma'am --Q. 12 (Unintelligible). It's not --Α. 13 I understand what you're saying, you 0. 14 know, as far as your interest and all of that. 15 may be wrong, but what I'm saying is the account is purged. So we're no longer collecting on it. 16 17 There's -- you don't have to worry about 18 the account. You can actually disregard any letter 19 or anything that was prior sent to you in regards to 20 it. We'll send you out a letter stating that the account was purged. 21 22 Does that mean that they're waiving the Α. 23 debt? Or does that mean --24 Q. Yes, yes. 25 -- there was no debt in the first place? Α.

```
1
                 No, they're waiving it. Basically,
           Q.
 2
     they're closing it, closing it out. So it's not
 3
     something that's reporting on your credit report or
 4
     nothing like that.
 5
                 We're just going ahead and purging it,
     okay, from our system, meaning that we're not going
 6
 7
     to be collecting on it. So we're not going to be
     calling you or anything of that nature.
 8
     non-collectible at this point.
 9
10
                 Oh, what about the tax consequences?
           Α.
11
     Are they going to send me a 1099-C?
12
           Q.
                 No, ma'am.
13
                 Why would they waive a debt and then not
           Α.
14
     give a 1099-C?
15
           0.
                 This isn't -- give me just a second.
     I'm going to send you over to another department,
16
17
     okay? That department can --
18
                 (Unintelligible).
           Α.
19
                 -- the disputes department and they can
20
     discuss it with you, okay?
21
                         Thanks.
           Α.
                 Great.

Thank you. Yes, I spoke to Α. 14 Resa Gore on Saturday, and she said that I should 15 call and talk to the disputes department, and then I -- I actually got transferred to her because I 16 17 called Capital One because I had received a copy of, 18 like, an old statement that looks like it's from Capital One, you know, just on the face of it. 19 20 But then I did the calculations for the interest charge calculation, and it didn't come out 21 22 It didn't come out to the same number that right. 23 you have, and I tried it by compounding once for a 24 one-month period and then I tried compounding daily 25 for 31 days, because it was 31 days in this period,

21

22
                 Your date of birth?

                 -1962.
           Α.
24
                 Okay. And what's a good telephone
           Q.
25
     number to reach you?
```

1 Seven -- well, I -- I only want to be Α. 2 called in regards to this exact matter, not for any 3 other purpose. 4 Q. Can you --5 So when I say "for this exact matter," I just mean for the conversation today and trying to 6 figure out why the interest rate is not calculating 7 properly, and so my number is (760) 966-6000. 8 9 Okay. So I do see that --0. 10 (Unintelligible). Α. 11 I do see that this is listed in Okay. Q. 12 the system as a work number; is that correct? 13 Α. Yes, it's both work and personal, but I 14 don't want to be called on this number because --15 0. (Unintelligible). 16 Α. -- my work. 17 No problem. We have that listed as "no Q. 18 calls at work." All right. And so very quickly, 19 you're calling in reference to the account -- the 20 account on what date -- I'm sorry. The account was opened on May the 8th, 2001, and it looks like there 21 22 was a balance of \$2,297.63. 23 And I want to echo what the previous 24 representative said to you, ma'am. The account is 25 actually no longer in a collectible status, okay?

And so that's been closed, okay? 1 2 Α. Right. 3 So it's not collectible; yes, ma'am. 0. So -- wait. So one of the 4 Α. Right. 5 questions that I asked and could not get an answer to is since she said that they waived the debt --6 7 but, now, I don't agree with that. Like, I don't agree that there's a debt to waive -- but she's 8 9 saying that they waived the debt. 10 And then I asked about a 1099-C, and she 11 said that they're not going to send a 1099-C. 12 I'm just curious why, if you're waiving debt, you're 13 not sending a required tax document? Not that I 14 think I need one, because I don't believe that the 15 debt was ever valid. 16 I just -- I'm saying I don't want to get in some kind of, you know, trouble with the IRS 17 18 later on because Portfolio Recovery decides they're 19 going to send a 1099-C and then say, "Oh, well, we 20 didn't send it at first, but then we decided to, and, you know, that's our prerogative." 21 22 So I just want to make sure, like, why 23 they are not sending the 1099-C? 24 Q. Yes, ma'am. Okay. So let me just kind 25 of briefly answer some of your questions, okay? We

```
are required to send out a 1099-C based on what the
 1
 2
     IRS requires with those stipulations or
 3
     requirements. Our accounts meet those stipulations,
 4
     okay?
 5
                 So in this case, okay, a simple --
     putting it very simple is that this account is in a
 6
 7
     non-collectible status, and it does not meet the
     requirements to actually send a 1099-C based off the
 8
 9
     IRS requirements, okay? So that's why you won't be
10
     getting one, okay?
11
                 What's the IRS -- I mean, the -- it
           Α.
12
     looks to me like the IRS says you have to send the
13
     1099-C, and then if I am disputing the debt, which I
14
     am, that then I just tell them that I'm disputing
15
     the debt.
16
           0.
                 Because you disputed it too. That is
17
     one of the reasons why, ma'am, you're not receiving
18
     one, and it is the code --
19
                 So the --
           Α.
20
                 -- non-collectible status.
           Q.
21
                        It -- do you see why it doesn't
                 Okay.
           Α.
22
     make any sense to me? Like, if -- if everybody who
23
     disputes their debt did not receive a 1099-C, then
24
     you wouldn't send any 1099-Cs because people who
     don't dispute the debt pay it -- I mean, well, I
25
```

```
guess there are those people who say, "Oh, we owe
 1
 2
     it, but we can't pay it." But -- so you don't send
 3
     a 1099-C to anyone who disputes the debt?
 4
                 I won't be able to speak concerning
           Q.
 5
     anyone else. I'm speaking to your account, Ms.
     Lynn, and I'm saying based on your account, okay,
 6
 7
     you disputed the account (unintelligible) --
 8
                 Yes, yes.
           Α.
 9
                 -- the account is in a non-collectible
10
     status, okay? So you're not owing that, and you
11
     won't be getting a 1099-C, okay?
12
           Α.
                 Ever? You're not going to come back
13
     later and say "We changed our minds"?
14
                 You won't be getting a 1099-C.
           Q.
15
           Α.
                 Okay. So all right.
16
           Q.
                 Okay.
17
                 Thank you.
           Α.
18
                 Thank you. Have a good day.
           Q.
19
                 Thank you.
           Α.
